A pair of hands is shown from the wrist down, cupped together and holding a large, dense cluster of green pine needles. The needles are vibrant green and have a fine, needle-like texture. The hands are light-skinned and positioned centrally in the frame. The background is a soft, out-of-focus green, suggesting a natural, outdoor setting. Overlaid on the lower half of the image is the text "Landmark Use Cases" in a large, white, sans-serif font.

A pair of hands is shown from the wrist down, cupped together to hold a heart-shaped arrangement of green pine needles. The needles are vibrant green and have a soft, fuzzy texture. The hands are light-skinned and positioned centrally against a blurred background of green foliage. The text "Thank you!!!" is overlaid in white, bold font across the middle of the image.

Thank you!!!
